NATIONALLY RECOGNISED TRAINING

Qualification Description

This qualification reflects the role of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas. They also initiate, design and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others.

This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability. The job roles that relate to this qualification may also include RTO Manager and RTO Director.

Entry requirements

There are no formal entry requirements specified in the Training Package for this qualification. However, Polytechnic Victoria has established the following admission requirements to ensure applicants are suitably prepared for the course:

- Be at least 18 years of age at course commencement.
- Have successfully completed Australian Year 12 or equivalent.
- Have an IELTS score of 6.0 or equivalent.
- Meet applicable Student Visa requirements.
- Successfully complete Polytechnic Victoria's Pre-Enrolment Review prior to enrolment.

The Pre-Enrolment Review considers the applicant's educational background, English language skills, language, literacy, numeracy and digital literacy skills, academic readiness, support needs and overall suitability for the course. Course suitability advice, including any identified support requirements, will be provided before enrolment is finalised.
